

# THE WAY TO SUCCESS

## OPEN LETTER

Dear Partners and Customers!

With a view to contributing to the development of Vietnam by bracing the young generation as the most vital force, JVGroup is devoted to the youth and their future prospects. We carry out the mission of guiding young people to THE WAY OF SUCCESS through educational programs.

JVGroup was established by passionate and visionary founders, with a team of highly competent and experienced staff with many years of training in Japan - a country with a rich educational and scientific background. JVGroup believes we meet all the necessary criteria to understand, nurture, and realize Vietnamese youth's dreams.

JVGroup sincerely thanks our partners and customers for your trust and support throughout our development.

We will continue to make unremitting efforts for our customers and our nation's future.

Best regards.

Founder and CEO,

TỔNG GIÁM ĐỐC  
*Nguyễn Minh Hằng*

## MISSION AND VISION STATEMENT

### JVGROUP's MISSION

The mission statement of JVGROUP is to guide the Vietnamese youth to THE WAY OF SUCCESS through networking, language teaching, creative and independent thinking training, and career development orientation.

### JVGROUP's VISION

By 2035, JVGroup will become a leading corporation in EDUCATION AND CAREER DEVELOPMENT for the youth in Vietnam. Our top mission is to educate and provide academic support to the young generation and help them develop their career.

JVGROUP's target is to assist 1,000,000 customers who are students from high schools, colleges, and universities across the country.

### CORE VALUE

- Credibility** - Protect our credibility with our life.
- Integrity** - Consider integrity as an essential foundation for our development.
- Creativity** - Consider creativity the source of vitality and innovation in each product and service.
- Quality** - Aim to gather experts in various fields to create the best services and contribute to building the best society.
- Humanity** - Spare no effort to serve the people and the country.

## FORMATION AND DEVELOPMENT

Established in 2015, through numerous years of sparing no effort, JVGroup is increasingly perfecting the process of building a prestigious brand name in Vietnam and Asia.

JVGroup has partnered with 300 prestigious international universities and specialized training colleges in Japan as a direct enrollment partner. Those include globally recognized institutions such as Teikyo University, TUJU University, SOSHI Education Corporation, and more. JVGroup collaborates with multinational corporations like Toyota, Honda, and Nissan to provide high-quality human resources.

JVGroup has unequivocally maintained its status as a distinguished and elite brand in Vietnam throughout its expansion and development. It has effectively guided over 2000 international students and 800 engineers to reach their career aspirations. This accomplishment forms the basis for JVGroup to relentlessly enhance the excellence of its services and expand its reach to cater to the diverse needs and expectations of customers nationwide.
