

THE WAY TO SUCCESS

OPEN LETTER

Dear Partners and Customers

With the view that the young generation is the vitality and future of the country, and at the same time, wishing to contribute to the sustainable development of Vietnam, all officers and employees of JVGroup are making constant efforts in the career of cultivating people and creating the future. Carrying on the mission of accompanying young people to create THE WAY TO SUCCESS, JVGroup, through educational activities, accompanies the career development of the young generation of Vietnam.

Founded by a dedicated leadership team with a broad vision, along with a team of officers and employees who have been trained in depth and accumulated many years of experience abroad, JVGroup has all the necessary elements to understand, nurture and realize the dreams of young Vietnamese people.

JVGroup would like to express our sincere thanks to our partners and customers for your trust and support.

We will continue to make constant efforts for the development of our customers and for the development of our country.

Sincerely!

TM. BAN GIÁM ĐỐC

Chủ tịch HĐQT, TGD
NGUYỄN MINH THẮNG

MISSION AND VISION STATEMENT

JVGroup Mission

JVGroup's mission is to accompany the young generation to create the PATH TO SUCCESS through connection activities, foreign language training, thinking training, and career development orientation.

JVGroup's vision

By 2035, JVGroup will become a leading corporation in Vietnam operating in the fields of TRAINING AND CAREER DEVELOPMENT for the young generation of Vietnam. The core mission is to train and provide educational support services to help young people achieve success through the path of learning and career development.

The target is 10,000,000 customers who are students from high school to college and university levels across the country.

Core values

TRUST - Keeping PRESTIGE like keeping life.

HEART - Putting HEART as the foundation for sustainable development.

WISDOM - Using WISDOM to provide superior service product.

ELITE - Gathering a team of ELITE, ethical staff.

HUMANISM - Strive to SERVE the country and the people.

THE FORMATION AND DEVELOPMENT PROCESS OF JVGROUP

Established in 2015, through many years of tireless efforts, JVGroup is increasingly perfecting itself on the path to building a prestigious and leading brand in Vietnam and Asia.

JVGroup is currently a direct enrollment partner of 500 prestigious universities and colleges in Japan, Korea and Australia. Among them are schools that have made a splash in the world such as Teikyo University, TUJU University,... in Japan; DongA University, ChungAng, Hongik,... in Korea, University of Technology of Sydney, University of Southern Australia,... in Australia. In addition, JVGroup has also been cooperating to supply high-quality human resources for large companies and corporations.

Throughout its formation and development, JVGroup has always maintained its image in the eyes of partners and customers as a leading prestigious brand in Vietnam, successfully giving wings to more than 6,000 international students and 1,500 engineers on their career development path. This is the foundation for JVGroup to effortlessly continue striving to improve service quality and expand its scale to meet the needs and expectations of customers nationwide.
